

# SING INSIDE: REGULAR GIVING AND WORKING WITH US

Thanks for your interest in becoming part of the Sing Inside community. Your support will help continue our vital work to inspire hope, increase confidence and build communities by singing together.

This booklet outlines several ways you can be involved and the benefits to you. If there is a package that looks right, please just follow the steps below.

Send us an email to [info@singinside.org](mailto:info@singinside.org) containing your full name, the package you'd like to go for, and your contact details.

One of our team will get back to you within **three working days**, to help you set things up and answer any questions you might have.

We'll check you're happy with how your money will be used, and **set up your payment**. You can do this either as a direct debit, a payment via JustGiving, or as a cheque - whichever you prefer.

If **none of the options here are quite what you're looking for**, but you'd still like to help, that's no problem - just get in touch on [info@singinside.org](mailto:info@singinside.org) and we can discuss some options.

Volunteering with Sing Inside doesn't cost anything, but it's an amazing way to find out more about the prison system and share uplifting, community-forming musical experiences with other people. Volunteering is transformative for many people who get involved.
